Dear Wes,

I was at the Dorian Group this evening when your aid read to us your courageous and timely proclamation of June 25 - July 1st, 1977 as Gay Pride Week in Seattle.

With tears in my eyes, thank you.

Thank you for the years of support you have consistently and graciously given us. Thank you, and the City Council, for making Seattle a safe, pleasant and honorable place to live.

A proud Gay Seattleite,

Ron Sheriff
